本公司拥有十一台超1000吨的冲压机以及各种机械加工设备，拥有一批超高水平技术人员，专业生产制造汽车钣金件，以及全序模具开发。主要产品有适用于宝马、宝马改装、保时捷、奇瑞的钣金件。四大系列超六百个品种，技术工艺均领先同行，长期以来广受国内外客户的好评。

COMPANY PROFILE

Yangzhou Yueke Auto Industry Co. Ltd, established in 2008, is a modern production plant with more than 10 years of production experience. The company is located in the north of Yangzhou, a famous historical and cultural city with beautiful scenery, "the hometown of lotus roots in China" -Baoying---(宝应 view: map). It is located in the Yangzhou River delta economic circle, on the bank of the Beijing-Hangzhou grand canal, close to the Beijing-Shanghai expressway and Huaijiang highway, with convenient land and water transportation.

For more than ten years since 2008, we have been adhering to the tradition of rigor, seriousness, and innovation, focusing on product quality. At present, the manufacturing process has been fully automated and semi-automated, which ensures the stability, consistency, and traceability of product quality. It is a professional manufacturer that produces sheet metal parts by using batch automatic manufacturing process. The quality standards of products strictly follow the stricter enterprise standard and the requirements of ISO 9001 and TS16949 quality systems certified by international organizations.

At present, Yangzhou Yueke Industry Co. Ltd has become a supplier of BMW and Porsche body parts in China insurance claim settlement market. At the same time, our products also serve the fast-growing domestic aftermarket and overseas markets. We insist on serving you wholeheartedly with high quality products, stable delivery time, professional service team, excellent suppliers, and strong team resources.

The company has 11 presses with a capacity of over 1,000 tons, various mechanical processing equipment and a group of super-high-level technicians, specializing in the production and manufacturing of automotive sheet metal parts and the development of full-sequence dies. The main products are sheet metal parts suitable for BMW, Performance BMW, Porsche and Chinese brand: Chery. There are more than 600 varieties in four series, all of which are advanced in technology and have been welcomed by customers at home and abroad for a long time.
